

AMI & REINER

-PRESS RELEASE-

*ANNOUNCING THE NEWEST ADDITION TO THE
REINER FAMILY OF HAND-HELD INKJET PRINTERS*

The jetStamp graphic 970

Portable Ink Jet Printing... Wherever, Whenever!

Available NOW!

The *jetStamp graphic 970* is a [mobile hand-held ink jet printer](#) that marks documents and or products simply and quickly. In addition to number, date, time and text, this device can also print graphics and barcodes. With the MP ink, it is also possible to print on non-absorbent surfaces such as metal and plastic. The 970 is mobile, handy and easy to use and program. It comes complete with its own software and weighs in at just over 1 pound.

Description:

- Number, date, time, text, graphics and barcodes; also multi-line imprints
Large print area up to 1/2" x 2 1/2" with self-traversing print head
- Up to four different print images can be stored in the 970
- Print image can be created simply and quickly at the PC and transmitted via USB or Bluetooth
- Simple and secure marking of documents/products
- Operated with rechargeable batteries and sufficient capacity for up to 1,000 imprints
- Your choice of regular ink for paper or cardboard or our specially formulated quick drying MP ink for marking on non-absorbent surfaces such as metal and plastic. Great for marking consumer products such as food packaging and bottles

[Software is compatible with all standard Windows operating systems](#)
